

# 2013 Carneros Chardonnay

## Wine & Spirits

92 Points

‘Best Buy!’

“Grown at several sites, including the Schug estate vineyard in Carneros, this shows classic Carneros richness in a powerful, structural form. The wine sees little new oak, so the intensity of the fruit is front and center, holding a delicious tension between its scent of heirloom apples, earthy concentration and a layered, satiny undercurrent that's as fresh as chilled cream. It has the depth to benefit from a few years of age.”
